

HOW TO PLACE AN ORDER

Since every one is so busy these days we want to avoid those unnecessary games of phone tag when virtually all calls for information is just repeating all the clear information that you can see here on this website... PLUS there are all these color pictures.

For example...

If you want to know what a clown or character does simply read the 2 paragraphs at the top of the clown and character page entitled "WHAT OUR CLOWNS AND CHARACTERS DO AT YOUR PARTY". If you want to know what your favorite character looks like see the beautiful color pictures on that page of exactly what the character will show up dressed like at your event.

The same for inquiries for all other of our attractions...

What jumpers do you have? Click on jumper page for pictures and click on the big banner marked "Prices" to see a size description and price.

The main page has 9 different pages that you can click on to see more information about all those things.

WHEN YOU ARE READY TO ORDER PLEASE CALL ANY OF OUR TELEPHONE NUMBERS AND HAVE A VISA OR MASTERCARD FOR A DEPOSIT (OR TO PAY IN FULL FOR A SINGING TELEGRAM) AND THE FOLLOWING INFORMATION IN ORDER TO MAKE A RESERVATION:

1. The Attraction. i.e. a Singing Telegram, Clown or a Character or Petting Zoo etc..
2. The Day and exact Time. Very important to make a reservation.
3. Delivery address. Also, a must have.
4. Visa or Master Card for the deposit to hold reservation on calendar. The balance is then paid in cash at party. SINGING TELEGRAMS can be paid in full on credit card.

We hope that all the above will make your ordering party fun a simple and enjoyable experience and THANK-YOU so much for letting us help your party be a blast!
